

## **Eastrock Landscape Light Fixture Program Benefits**

Eastrock Landscape has a wide selection of quality light fixtures to choose from including (18) support benefits. There are many components to a light design, order and install. We have many years of experience and provide light design, advice, processing of the order / delivery, inspection of each light fixture, assembly of each light fixture and handling of damaged, wrong item returns or missing part reorders. Light orders include quantity, type, color, size and bulb selection. Many things can occur during a light order such as: fixtures are not delivered on time, fixtures received damaged (glass lens, bulbs, etc.), fixtures are the wrong item, missing a part or wrong quantity. We provide a wide range of support to deal with these issues and they are included with the purchase of our products.
